

# THE CAREGIVER'S PRAYER

By Roy Lessin

From the *Meet Me in the Meadow* website

Father, help me, by Your grace, to be a caregiver as You care for us—  
work through my hands with the touch of compassion, see through my  
eyes with the clarity of understanding, shine through my countenance  
with the light of kindness, speak through my voice with the words of  
comfort and encouragement, minister through my spirit with grace and  
patience, and give through my heart with the never-ending gift of love.

Amen!
